Love's will
(Bruno Capinan & Bem Gil)

It's going to be a long way home again
My love will be waiting for me
And when I get home
It will be love's will
Love's will

Nobody can ever tell us to stop
We had come far enough to stop it so
When we get there
It will be love's will
Love's will

The sparkle in your eyes
The way you smile
It's so beautifully mine.
